

A100/A200 SERIES

*Works with any
Analog PBX!*

Elegant lines. Industry-leading quality.

The Teledex iPhone Analog A100/A200 series phones bring exciting new designs into the guest room. With best-in-class performance in an attractive new look, iPhone A100/A200 series phones enhance the look of any room design. Our patent-pending CourtesyRing volume control won't jar your guests from their sleep, but rather gradually increases the ring volume until answered. EasyTouch™ voice mail means easy one-touch access to your PBX voice mail system.
